*Enjoy high-energy New England Contras and
Traditional Squares danced to incomparable LIVE
music and fantastic callers!*

*Contra dance originated in the 1600's in England and
France and continues to be popular today around the
world for folks of all ages.*

*It is most often described as a light-hearted social
dance in that you will dance with a partner and, as the
dance progresses, will move up and down a line of
other couples, interacting with all dancers.*

❖ ❖ ❖
*Bring clean, soft-soled, non-street shoes for dancing.
(No hiking or cowboy boots, high heels, or shoes with
black rubber soles that may mar the floor.)*

*We suggest you bring a water bottle.
But you never have to bring a partner!*
